You are responsible for making arrangements to have the electric service placed in your name by the move in date above. To initiate service in your apartment you must call at least 3 to 4 days prior to your scheduled move-in. Should the electricity **not** be turned on in your name and effective on your move in date you will be charged a \$50.00 initial violation. The following phone numbers you will need are listed below.

**City Public Service Electric (CPS) acct #** \_\_\_\_\_

Write acct. number and give to the leasing consultant to place in your file at Move In.

If you fail to cancel your application within 3 days from the date you are approved your security deposit will **Not** be refunded and will be held as liquidated damages.

**Cell or Home Phone #** \_\_\_\_\_ - \_\_\_\_\_
